By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/quardians and community members should contact the school principal or the district office.

### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <a href="https://dq.cde.ca.gov/dataquest/">https://dq.cde.ca.gov/dataquest/</a> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <a href="https://www.caschooldashboard.org/">https://www.caschooldashboard.org/</a> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### **About Our School**

Sweetwater Secondary School (SSS) is an innovative, role model public school that dares to make a significant difference in the lives of students in grades 7 through 12. Offering an option to traditional schools, SSS has innovated a different way of managing educational systems, both in instruction and operations. We serve as a role model because of five factors:

- We transform the lives of students who are "at risk" in the educational system taking many from failure to college bound.
- We run SSS with strategic initiatives, action plans and the ability to set and measure results.
- We are innovative, responsive and agile.
- We hold teachers accountable for students' learning and success.
- We are a successful prototype for educational reform.

This futuristic public school is designed for students in grades 7-12 who seek an alternative to the traditional approach to education. Independent study is the primary method of instruction, along with online courses, home school option, guest speakers, tutoring, and field trips to provide skills development and enrichment in the core curriculum.

Students can enroll in Sweetwater Secondary School with parent request any day throughout the year.

Student options include returning to comprehensive schools, earning a High School diploma, passing the California High School Proficiency Exam (CHSPE), passing the GED, or passing the High School Equivalency Test (HiSET). Each student receives a Pathways Personalized Education Plan supported through an extensive group of partnerships and alliances which provide services such as job development, pre-employment training, health maintenance, case-management, social and personal services and tutoring.

Please Note: Sweetwater Secondary School is a DASS school (Dashboard Alternative School Status) which uses modified methods of measurement for indicators that are aligned with the evaluation rubrics of the Local Control Funding Formula (LCFF) to evaluate the success or progress of schools that serve high-risk students. To be eligible for DASS, schools must have an unduplicated count of at least 70 percent of the school's total enrollment comprised of high risk student groups including: Expelled, Suspended, Wards of the Court, Pregnant and/or Parenting, Recovered Dropouts, Habitually Truant, Retained more than once in kindergarten through grade eight, students who are credit deficient, students with a gap in enrollment, students with a high level of transiency, Foster Youth, and Homeless Youth. As an alternative option, students enroll with SSS to address credit deficiencies before returning to a traditional school or may choose to complete the GED or HiSET, which are not factored into the four-year cohort graduation rate.

### **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Preparation and Placement (School Year 2020—2021)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)						
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)

Total Teaching Positions						

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

# **School Facility Conditions and Planned Improvements**

SSS' resource centers are exceptionally attractive, clean, safe, and orderly. Every resource center is fully equipped with student computers linked to the Internet, teacher laptop computers, audio-visual equipment, individual teacher telephones, bookshelves, textbooks, storage, alarm systems, smoke detectors, tables, chairs, and teacher desks.

### **B. Pupil Outcomes**

### **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

• Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3, California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020–2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessments for ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- o Uniformly administered across a grade, grade span, school, or district to all eligible students.
- Options: Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:
  - Smarter Balanced ELA and mathematics summative assessments:
  - Other assessments meeting the SBE criteria; or
  - o Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.
- College and Career Ready: The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### Career Technical Education (CTE) Programs (School Year 2020—2021)

Career Technical Education (CTE) opportunities vary according to the students' goals. Student strengths, interests and values are discussed with the student and parents and become part of the Pathways Personalized Educational Plan (PPEP). SSS offers more than 20 CTE courses and 5 Career Pathways in either an independent study or online environments. Eleventh and twelfth grade students research career paths and post-secondary career options to compile an electronic portfolio as part of a required senior course called "Pathways Exhibition". Counselors, teachers, career resource speakers, administrators and parents provide assistance in the educational and career decision making process. Because of the flexibility in this school's schedule, students are able to work while traditional schools are in session, which broadens the range of job opportunities and work-based learning available. The school allows students the freedom to participate in community events and encourages them to volunteer. In order to broaden their experience and prepare students for the transition from school to career, students who remain at Sweetwater Secondary School until graduation are required to earn two credits in a specified CTE course, Service Learning, or in our state approved General Work Experience Education (WEE) courses. In this way, students have the chance to experience the world outside school as either volunteers or while learning a career skill on their path to becoming College and Career Ready.

### Opportunities for Parental Involvement (School Year 2021-2022)

Parents become involved in their children's education at Sweetwater Secondary School from the beginning. Parents are a part of the initial meeting with the teacher, when they learn school requirements. Together with the student, they develop each student's unique Pathways Personalized Educational Plan (PPEP). Parents are encouraged to call and make appointments at any time; parents are involved in their child's education on a daily/weekly basis. Parents are encouraged to give feedback through the annual LCAP parent survey, open houses, senior exit orientation meetings, master agreement signings, board meetings, and graduation.

### **State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2018-2019	School 2020–2021	District 2018-2019	District 2020–2021	State 2018-2019	State 2020–2021
Suspensions	0.22%	0.00%	0.22%	0.00%	3.47%	0.20%
Expulsions	0.00%	0.00%	0.00%	0.00%	0.08%	0.00%

Note: Data collected during the 2020–21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

### Suspensions and Expulsions for School Year 2019—2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-2020	District 2019-2020	State 2019-2020
Suspensions	0.00%	0.00%	2.45%
Expulsions	0.00%	0.00%	0.05%

Note: The 2019–2020 suspensions and expulsions rate data are not comparable to other year data because the 2019–2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–2020 school year compared to other school years.

### School Safety Plan (School Year 2021-2022)

The safety plan is updated and approved annually. It includes disaster procedures, procedures for safe entry and exit of pupils, procedures for serious disciplinary problems, lockdown procedures, loitering law, going to and from school safely, zero tolerance policy, emergency resource information, emergency disaster kit, and emergency quick reference guide. A sexual harassment policy, child abuse reporting procedures, school dress codes and the school discipline policy are also included. Regular safety drills are conducted and recorded three times per year.

# D. Other SARC information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Types of Services Funded (Fiscal Year 2020–2021)

As a 501c3 non-profit corporation, Audeo Charter School Corporation has full authority and discretion in the management of all its fiscal matters. The latitude to determine the use of funds is accompanied by an obligation to remain revenue neutral and to submit an audited financial report annually to the District. More than half of the funds the school receives go to certificated instructors who work directly with students. Funds are also used for purchasing up-to-date instructional materials and technology.
