This student fees policy has been adopted by the Board of Directors of Altus Schools Southern CA, Inc. in compliance with the provisions of Article IX, section 5 of the California Constitution, and Assembly Bill 1575 (“AB 1575”) (effective January 1, 2013), which prohibit the charging of any student fees for participation in an educational activity at a public school. This Policy applies to Altus Schools East County, Altus Schools North County, Altus Schools South Bay, , Audeo Charter School II, Audeo Valley Charter School, and Mirus Secondary School.

### **I. General Statement of Policy**

No student enrolled in Charter School shall be required to pay a student fee for participation in Charter School’s educational activity unless specifically authorized by law.

### **II. Definitions**

“Educational activity” means any activity offered by the Charter School that constitutes an integral fundamental part of a student’s education, including, but not limited to, curricular and extracurricular activities.

“Pupil fee” means a fee, deposit, or other charge imposed on students, or a student’s parents or guardians, in violation of Section 49011 and Section 5 of Article IX of the California Constitution, which require educational activities to be provided free of charge to all students without regard to their families’ ability or willingness to pay fees or request special waivers. Pursuant to Education Code section 49010, prohibited student fees include, but are not limited to, the following:

(a) fees charged as a condition for registering for school or classes, or as a condition for participation in a class or any extracurricular activity, regardless of whether the class or activity is elective or compulsory, or is for credit;

(b) a security deposit, or other payment, that a student is required to make to obtain a book, class apparatus, laptop, I-Pad, e-reader or other materials or equipment;

(c) purchase that a pupil is required to make to obtain materials, supplies, equipment, or uniforms associated with an educational activity.

### **III. Policy Against Unlawful Pupil Fees**

1. All supplies, materials, and equipment needed for students to participate in the Charter School’s educational activities shall be provided to students by the school free of charge.

2. Charter School does not use a fee waiver policy to make any student fee permissible.
3. Charter School does not have a “two-tier” educational system. Students who purchase additional supplies not provided free-of-charge by Charter School, or students who make voluntary donations to the Charter School’s programs and activities, are not provided a higher educational standard than students who do not.
4. Charter School does not offer course credit or privileges related to educational activities in exchange for money or donations of goods or services from a student, and Charter School does not remove course credit or privileges related to educational activities, or otherwise discriminate against any student who does not or will not provide money or donations of goods or services to the school.
5. No fees shall be charged for inter district transfers, tuition or diplomas, mandatory caps and gowns, or admissions charges, whether for instruction or extracurricular, if part of the educational program. A cap and gown will be provided free of charge by the Charter School to graduating students and must be returned to the Charter School after the Graduation ceremony. Charter School may solicit voluntary donations of funds from students and parents of students to help cover the cost of cap and gown, but all students are provided access to a cap and gown, regardless of student or parent donation. Alternatively, students have the option to purchase their own cap and gown, which does not need to be returned to Charter School after the graduation ceremony.
